DON'T BE LATE!

2017 BASIC MECHANICS LIEN SEMINAR
Private Works Construction Projects

Sponsored by the
National Association of Women in Construction San Gabriel Valley Chapter #110

Presented by: Shaaron A. Bangs, Construction Law Attorney Crawford & Bangs, LLP

SEMINAR CONTENTS:

This basic lien seminar will provide a general overview of the liens available to contractors of every tier, material suppliers and vendors who furnished labor, material and equipment to a work of improvement. It will also identify who are entitled to file a mechanics' lien on a California private works project. It will review in detail how to fill out and serve the California Preliminary Notice, will identify the deadlines and methods for serving the preliminary notice and serving and recording the mechanics lien, and how to use the statutory lien release forms.
